## PASTORS' Corner

Welcome to December, the final month of the year and a time to reflect on all that God has brought us through.

I want to focus our attention on what God spoke to us in January. He simply said to us to BE Strong. The message was based on the instructions that God gave to Moses to go to Pharaoh and demand that he let the children of Israel go free. It seemed an impossible task to Moses, and one that he could not fathom would succeed. He doubted himself for being up to the task. God assured Moses that He would indeed be with him and God would deliver the children of Israel by His Mighty hand. Moses just needed to be strong and go.

This year has been challenging in so many ways for people. It seems that we are pressed on every side. I can assure you that God is not stressed or worried. He is our Peace and we can trust Him. As we enter into this final month, let us remember what God said to us in January. He told us to be stronger than our excuses. He told us to be stronger than our hard times. He told us to believe Him. God shows up when we go. We are strong in Him. God kept His word to Moses and delivered the children of Israel out of bondage. God will keep His word to us as we navigate through life's trials and challenges.

Be strong, Antioch. Make it a great day.
